

Community-STARs Pediatric Therapy Specialists (C-STARs) is a privately-held, community-focused, pediatric therapy provider specializing in helping children with special needs achieve their full potential in a fun and loving environment, located in Central Virginia. We put the FUN in functional!

Our practice is growing, and we will soon be increasing the size of our clinic and expanding our school-based therapy program. To support this growth, we are adding new therapists to the team! As a **full-time, Pediatric Physical Therapist** at C-STARs, you must have a passion for school-based and clinic therapy. You must be able to see – not what our clients can't do – but what they can do and what they can become! Check us out at www.everyday-stars.com

Interested in joining our stellar team? Send your resume to CSTARs4Therapy@gmail.com

- Travel reimbursement
- Phone reimbursement
- Health insurance
- Paid professional liability insurance
- Professional license renewal

School-based Therapy and Resources (STARs) was established in 2009 with an emphasis on school-based and early intervention pediatric physical therapy services. In 2016, STARs opened Community-STARs (C-STARs) an outpatient pediatric therapy clinic for children ages 0-21 years old. We believe a child's work is play and we are passionate about our work! At C-STARs, we aim high, we aim big, we shoot for the stars, and we get there through small, incremental, doable steps. C-STARs is located in Culpeper, Virginia - we also serve Madison, Greene, Orange, Charlottesville, Rappahannock, and Fauquier.

Job Type: part-time; full time
