

Community-STARs Pediatric Therapy Specialists (C-STARs) is a privately-held, community-focused, pediatric therapy provider specializing in helping children with special needs achieve their full potential in a fun and loving environment, located in Central Virginia. We put the FUN in functional!

Here we GROW...We are excited to announce that Community-STARs Pediatric Therapy Clinic is seeking an **Occupational Therapist** to join our team! If selected, you will develop a balanced schedule between clinic based work and Early Intervention allowing you to evaluate and treat patients with fine motor, ADL, and sensory issues from ages 6 months and up! This position will require comfort with a variety of diagnoses and will challenge you daily to come up with creative and fun interventions for your kiddos!

Responsibilities:

- Evaluate and utilize appropriate standardized tests for accurate diagnosis of sensory and fine motor disorders
- Develop age-appropriate treatment plans and IFSPs
- Establish treatment goals and implement age-appropriate plans of care
- Perform daily documentation, update treatment plans, and produce regular progress reports
- Update patient progress to both families and early intervention staff
- Implement and keep current with evidence-based practices
- Work with a team of dedicated therapists focusing on **Making Everyday Differences** in the lives of children and their families!

Qualifications:

- Previous experience in pediatric Occupational Therapy is preferred, but excellent newer graduates with pediatric rotations under their belt could be considered
- Must be an OT/R (will consider COTA)
- Familiarity with sensory disorders and autism spectrum disorder
- Ability to build rapport with clients, their families/caregivers, and colleagues
- Positive, patient, and fun demeanor
- Excellent written and verbal communication skills
- Excellent computer skills for documentation
- Ability to work well in a dynamic clinic setting
- Ability to work well one-on-one and with co-treatment scenarios

School-based Therapy and Resources (STARs) was established in 2009 with an emphasis on school-based and early intervention pediatric physical therapy services. In 2016, STARs opened Community-STARs (C-STARs) an outpatient pediatric therapy

clinic for children ages 0-21 years old. We believe a child's work is play and we are passionate about our work! At C-STARs, we aim high, we aim big, we shoot for the stars, and we get there through small, incremental, doable steps. C-STARs is located in Culpeper, Virginia - we also serve Madison, Greene, Orange, Charlottesville, Rappahannock, and Fauquier.
